HOPED HOUSING

CHAI's Hoped Program (Housing for People with Mental Disabilities) offers quality, affordable, rental housing to adults living independently with chronic mental illness.

Rent is income-based and income limits apply.

Each house is shared by up to four residents.

Residents have their own private bedroom and access to shared common areas including:

- **Living Room**
- **Kitchen**
- **Laundry Room**
- **Bathroom**
- **Outdoor Space**
